

These are the exact ads and fiverr gigs I use for Craigslist

Note: I post for websites (which I create myself) or video marketing more than anything else as it is what I have had the most success with but feel free to try whatever you'd like.

Video Marketing

AD #1

Title: I Will Create a Video Spokesperson Commercial For Your Business

Ad Body:

We will create a custom video spokesperson testimonial for your business

300 words or less

Script required

Professional video done one a white screen

Paypal Verified
